

DIRECTORS BIO

Kata Oláh was born in Hungary, in 1966, she is married with 3 children. After having graduating from High School she has lived and studied in several countries. Having returned home after seven years first she has worked in the field of advertising and publishing. From 1993 she has made several short documentaries for the Hungarian National TV as a director. In 1997 she became the Hungarian producer of Grundy Production Company, producing game shows for the local RTL Club. From 2005 she was the head of communication of the Hungarian Motion Picture Foundation for 5 years, while she was hosting and directing a cultural talk show for several years for the Hungarian National TV. She directed her first documentary in 2010 for HBO. Since then she decided to focus on directing. From that time she directed and produced several short documentary and fiction films as well. She has received several national prizes for her mini-series popular science film. Her short fiction won several prizes, was screened at Brussels Short Film Festival, and was nominated for the best Hungarian short in 2016 by the Hungarian Film Academy.
